

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

March 26, 2013

On March 27, 2013, the Los Angeles County Office of Emergency Management will be hosting its annual briefing for City Managers throughout the County of Los Angeles on disaster recovery at the Board of Supervisors Hearing Room. This briefing will provide an overview of the Emergency Response Plan Recovery Annex and the current status of recovery planning in the Los Angeles County Operational Area (LACOA).

Disaster incidents such as Hurricane Sandy have clearly demonstrated the critical need for emergency planning and preparedness involving the entire community. They also bring to the forefront the key role of local government, not only in the response phase to these incidents, but in the long-term recovery efforts.

I, THEREFORE, MOVE THAT the Board waive parking fees for up to 88 vehicles in the amount of \$1,600 excluding the cost of liability insurance, at the Music Center Garage for participants attending the LACOA Disaster Recovery Briefing on March 27, 2013.
